

April 2024

Dear parents,

As April draws to a close I hope we have seen the back of the rain and look forward to warmer summer months ahead. Remember to send children in with a water bottle each day please.

Year 6 have their end of year exams starting soon, we are incredibly proud of them for working hard over the last few months - attending boosters, tutoring and showing a great work ethos in class every day. Whatever happens you have already made us proud. A huge thanks to all the teachers who have also worked tirelessly to ensure the children are ready.

We all look forward to our first whole school sports day on May 23rd at Croydon Arena.

<https://www.better.org.uk/leisure-centre/london/croydon/croydon-ports-arena> This will be an exciting day where all children will be able to experience competing on an athletics field and track. We are so lucky to have this around the corner.

Mrs Berthoud

### Netball update

On Friday 19th April the Y5 /Y6 Netball team competed in the final of The Croydon Schools Netball League.

They played magnificently narrowly missing out on the final. The team had a brilliant afternoon displaying fantastic teamwork and skills.

The girls are looking forward to continuing their netball development and challenging for the title next year.

Well done girls!

## Year R, 1, 2, 3 and 4 trip to Polka Theatre

Children in Reception, Year 1, 2, 3 and 4 were treated to an afternoon at the theatre on Thursday 18th April. They travelled to the Polka Theatre in Wimbledon to see 'Three Billy Goats Gruff' a traditional English story.

"I loved the singing", "They did silly voices", "There was a puppet", "That was the best thing I have ever seen ever". Thanks to staff for taking the children on this amazing, memorable experience.

## ELP trip to Buckingham Palace

Children in the ELP visited Buckingham Palace to end our 'Castles and Knights' unit. We were able to see the guards and ask some questions about King Charles too. We ended the afternoon having a picnic in St James Park before returning to school.

The children had a lovely time and want to visit the Palace again some time soon. 'King Charles has some lovely cars'  
'Maybe we can live here one day'

## Eco Council trip to Borough Market

Members of the Eco team went to Borough Market to learn how to be a young marketeer. They planted carrots and French beans with Gardener Chris. Thank you School Food Matters for another lovely day.

Y~ when selling you need to make sure everything is visible make like a mountain. And don't forget the price .

B~ today was a good day as we go to try different foods and learn how to plant things.
