## Netball team trip

Our Netball team asked if they could go and watch a professional match so they were taken by staff to see London Pulse Netball Team @londonpulsenetball play at Crystal Palace Arena to pick up some tips and tricks!

Another Pioneer passport experience ticked off.

## South Norwood Community Festival (SNCF)

The 12th annual festival is due to take place between 11am and 7pm on Sunday 7 July 2024 at the South Norwood Recreation Ground (main entrance in Cargreen Road, South Norwood).

The festival, which celebrates local arts, food, crafts and music, is free to attend and although there is food and drink on sale, we encourage people to bring their own in and picnic on the grass, with the only provisions being - no alcohol, no bbqs, no glass bottles and no dogs.

Thank you so much for supporting our first whole school sports day at Croydon Arena. We were so lucky to have fine weather. Thanks to Coach Mickey and Miss Norman for sorting out the logistics too. The children and staff had an incredible day and we thank all those parents who came to watch and especially those who took part in the running races at the end. What speedy mums and dad we have!

## Year 6 trip to Chessington

We visited Chessington to celebrate finishing our SATs tests and to say well done for all our hard work. Thankfully it was not busy and we were able to go on a lot of rides. We loved the new Mandrill's Mayhem ride - Mr Fox needed a lie down after he got off! As the day went on the heavens opened and it rained and rained. Although we all looked like drowned rats we had a great time and loved spending time together on the rides.

Year 6.
