October 2023

Dear parents,

As the weather turns colder please ensure all jumpers, coats, hats and gloves are named. We are often asked to find missing items but this is especially hard when things are not named.

Children in Year 5 or 6 who walk home on their own should be careful in the dark, they should always cross the road at crossings and wear reflective or bright clothes to keep safe. Please speak to your child about road safety, <https://vimeo.com/268800541>

We have many fun activities planned in the run up to the christmas holidays including a christmas jumper day, wear your pajamas to school day, festive family dinner, EYFS Nativity, KS1 Nativity and KS2 carols at St Mark's church.

Do check the class dojo calendar for events. Up and coming events are at the top of the app,,, click on view all to see more events that are up and coming.

WEDNESDAY, NOVEMBER 8 · SCHOOL EVENT
**ELP (not EYFS), Year 3 and
Year 5 to cinema**
All day

Attendance

RN - 98.8%
RS - 99.7%
1K - 93.7%
1R - 96.8%
2W - 97.8%
2K - 93.1%
3M - 89.5%
3W - 94.6%
4S - 98.8%
4Y - 96.8%
5E - 91.8%
5S - 89.8%
6S - 96.4%
6B - 91.7%

Well done to **1R**

E safety Message

In computing we have been learning about 'Digital 5 a Day' which are steps to help children get the most from their time online and to balance their digital activity with overall wellbeing.

The 5 A Day advice is:

Connect: Message, have fun and play with friends and family both online and offline.

Be active: Take some time off and get active – movement helps boost emotional wellbeing.

Get creative: Don't just browse the internet but use digital tools to create content, to build new skills and discover new passions.

Give to others: Be positive online, report bad content and help others to balance their own 5-a-day.

Be mindful: If time online is causing stress or tiredness then take some time off and ask for help when you need it.

Attendance

Attendance of under 90% is classed as persistent absence – whatever the reason – and will be referred to the Educational Welfare Officer.

Holidays during term time are not authorised and you could be issued with a penalty.

Year 2 Trip to London Transport Museum

We went to the London Transport Museum as a part of our IPC topic "From A-B". We explored the museum by looking at transport from the past to the present. "I loved the Museum." Charlie.

Year 3 #pioneerpassport trip to London Zoo

We went to London Zoo as part of our pioneer passport experience.. We were able to explore the zoo and see different animals.

Year 4 Trip to Kidzania London

We had an amazing trip to Kidzania on the last day of half term. We got to explore the village and try out different jobs. We trained as firefighters, post deliverers, police officers, artists, chefs, radio DJs and more! It was a great day out and we loved being able to be independent and try new things.

Year 5 #pioneerpassport to Science Museum

We went to the science museum to further our learning for our topic 'Space scientists'. We enjoyed attending a workshop 'Mission to Mars' where we learnt about speed of light and how scientist have contributed to the development of science today.

Show Racism the Red Card

We wore red on the last day of half term so 'Say no to racism'. The children also entered a competition to design a 'Show Racism the Red Card' T shirt which will be the next postcard home. Staff voted and the winners are Eghosaosere and Anjie.
